h. LOSB

The County encourages the utilization of locally-owned small businesses as sources of subcontract work. The County notifies all respondents that all firms and/or individuals shall comply with the regulations relative to nondiscrimination in federally assisted programs of the Title VI of the Civil Rights Act of 1964, as amended.

LOCALLY OWNED SMALL BUSINESS PURCHASING PROGRAM RULES AND REGULATIONS:

(i) The Administrator of Purchasing in conjunction with the Administrator of EOC shall identify certain goods and services required by the County to be set aside for special purchasing procedures for locally owned small businesses.

(ii) Only certified locally owned small businesses will be allowed to submit competitive bids on the goods or services identified under paragraph (i) above.

(iii) The Administrator of Purchasing shall, in conjunction with the Administrator of EOC, annually review the Shelby County Capital Improvement Program to determine those projects with a construction cost of \$250,000 or more. Contracts amounting to at least ten (10%) of the construction costs of such project shall be awarded to locally owned small businesses as defined herein, except as set forth in sub-paragraph (vi) of this section, either as part of the conditions of the solicitation for general contractors bidding on these projects, or as separate bids issued by the County for subcontracts that may be assigned to general contractors.

(iv) After adhering to all other bidding and purchasing requirements of the County, not inconsistent with this part, if no bids are received from locally owned small businesses, then the County may solicit bids for the goods or services from all other sources.

(v) On all purchases and/or contracts entered into by the County, the Purchasing Administrator or his or her designee shall have the right to negotiate with

any supplier of goods or services to the County for the inclusion of locally owned small business subcontractors and/or suppliers in the contract award.

(vi) Failure by a supplier or contractor to include locally owned small business sub-contractors or suppliers in its bid or contract may be grounds for rejection of said bid or contract unless the supplier or contractor can show documented evidence of good cause why none were included.

(vii) Any locally owned small business awarded a contract or purchase order under this section shall not sublet, subcontract or assign any work or services awarded to it without the prior written consent of the Mayor or the Purchasing Administrator.

(viii) As to those purchases below the requirement for a formal bid solicitation (currently, under \$15,000) and not included in the locally owned small business set aside, the Administrator of Purchasing shall determine if any locally owned small business offers that product or service. If so, at least one such eligible locally owned small business should be included in the vendors contacted for an opportunity to bid, and the Administrator of Purchasing may, at his discretion, designate in a purchase order the purchase of such goods and services from the identified locally owned small business.

(ix) In those situations where a locally owned small business as defined herein, engages in open competitive bidding for County contracts, the Administrator of Purchasing shall provide for a preference for the locally owned small business where responsibility and quality are equal. Said preferences shall not exceed five percent (5%) of the lowest possible bidder meeting specifications. The preference shall be applied on a sliding scale in the following manner:

a. A preference of up to five percent (5%) shall be allowed for contracts up to \$500,000.00;

b. A preference of up to three and five-tenths percent (3.5%) shall be allowed for contracts up to \$750,000.00;

c. A preference of two and one-half percent (2.5%) shall be allowed for contracts up to \$1,000,000.00;

d. A preference of two percent (2%) shall be allowed for contracts that exceed \$1,000,000.00.

(x) For construction contracts over \$2,000,000.00, the Administrator of

Purchasing shall provide for a preference of two percent (2%) to general contractors meeting the requirements of Section 1, Subparagraph B, if fifty percent (50%) or more of the total work comprising the bid has been or will be awarded to certified locally owned small businesses. The fifty percent subcontracting threshold must be met prior to contract execution.

(xi) The Administrator of Purchasing may divide a single bid package for any purchase of goods and services into two or more smaller bid packages in any case that the Administrator of Purchasing reasonably believes that the smaller bid packages will result in a greater number of bids by locally owned small businesses.

(xii) The Administrator of Purchasing, upon approval of the County Mayor, may establish special insurance and bonding requirements for certified locally owned small businesses so long as they are not in conflict with the laws of the State of Tennessee.

(xiii) The Administrator of Purchasing, with the approval of the County Mayor, shall adopt and promulgate, and may from time to time, amend rules and regulations not inconsistent with the provisions of this ordinance, governing the purchase of goods and services from locally owned small business concerns to effectuate and implement the Locally Owned Small Business Purchasing Program within the intent of this ordinance.

(xiv) The Administrator of EOC shall, in conjunction with the Administrator of Purchasing, provide a written quarterly report to the Mayor and Board of Commissioners which shall include a summary of the purchases selected for this program, a listing of the contracts awarded to locally owned small businesses for the period, and the dollar amounts of each such contract, and the percentage which such contracts bear to the total amount of purchases for the period.

VII. GENERAL REQUIREMENTS

a. Background

Shelby County Drug Court solicits proposals from providers of Residential Alcohol and Drug Treatment Services to participate in a program designed to divert offenders charged with possession of illegal drugs or driving under the influence of drugs or alcohol or other charges and having a substance abuse problem.

In 1997, Shelby County created a part time Shelby County Drug Court presided over by the Honorable Tim Dwyer. The Shelby County Drug Court Treatment has proven successful in

encouraging offenders to enter into treatment and to follow through with a treatment program. This program operated part time until it became a full time Shelby County Drug Court in the fall of 2000.

b. Scope of Contract

The County wishes to engage in a contractual relationship with the best-qualified provider selected through a competitive process that will work well with the County in the performance of the Services in a manner that is cost-effective and practical. The Proposer must be able to provide intensive outpatient substance abuse treatment program and to observe and practice the highest level of diligence.

c. Project Time Frame

The contract period will begin on July 1, 2009 through June 30, 2010 with the option to renew for two (2) additional one year periods, July 1, 2010 through June 30, 2011 and July 1, 2011 through June 30, 2012, with the same terms and conditions and subject to the availability of funds for each renewal period. The Contractor must be prepared to begin immediately upon receipt of a Notice to Proceed.

d. Reservation of Rights

The County reserves the right, for any reason to accept or reject any one or more proposals, to negotiate the term and specifications for the services provided, to modify any part of the RFP, or to issue a new RFP.

e. Selection Criteria

Each response will be evaluated on the criteria outlined in Section XII of this document. Each bidder should set out in its response to this RFP to clearly identify the qualifications of its company and each individual who will work on this project.

As part of the qualification process each vendor will be required to apply for an EOC # and provide workforce utilization information. Please contact the EOC Administration @ 901-545-4336 to obtain the necessary documents and to ask any questions that you may have regarding this information.

During the evaluation process, Shelby County Government reserves the right to consider the vendor's EOC rating in the evaluation.

f. Additional Information and References

Any additional information that would be helpful to the County in evaluating a proposal, including a list of current and former clients with a similar profile to Shelby County, should be submitted. At

least three (3) former clients who have terminated in the last five (5) years should be included on this list.
